## Decision on final offer expected tomorrow

The National Executive Board will meet tomorrow to make a decision regarding Canada Post's final global offer. The negotiating committee is meeting with the corporation's negotiators today for further clarification. Two issues remain on the table: the CTI and internal staffing.

We will let you know as soon as a decision has been made. You can check for updates on our website at [www.cupw-sttp.org](http://www.cupw-sttp.org) or on your workplace bulletin board.
