

Note: There was much discussion about this requirement, explanations, related problems, possible alternatives, costs.

Without prejudice the parties are making same new options to consider and will meet on Monday November 27, 2000.

5) RPO Clearances

- Handcart concerned raised.
- Will determine the actual tours that would require a magliner handcart.
- Will the time value be given for those Relay drivers to clear the RPO's. Management pays the hours worked for this function during Christmas operations. Further concerns should be discussed with the Zone Managers.
